

California Regulations Related to Drinking Water

April 10, 2017

Sections amended, adopted, repealed, or not included in the previous version are highlighted in yellow. If the text in a section, subsection, or paragraph is highlighted, it is new. If only the section/paragraph number is highlighted, it was amended or repealed. Nonsubstantive revisions may not be shown. Please note that the water recycling criteria have been removed from this document, but may still be viewed in the "Recycled Water-Related Regulations" document here: http://www.waterboards.ca.gov/drinking_water/certlic/drinkingwater/Lawbook.shtml

TITLE 17 CODE OF REGULATIONS

DIVISION 1. STATE DEPARTMENT OF HEALTH SERVICES AND STATE WATER RESOURCES CONTROL BOARD

CHAPTER 5. SANITATION (ENVIRONMENTAL)

SUBCHAPTER 1. ENGINEERING (SANITARY)

GROUP 4. DRINKING WATER SUPPLIES

Article 1. General

§7583. Definitions

§7584. Responsibility and scope of program

§7585. Evaluation of hazard.

§7586. User supervisor

Article 2. Protection of Water System

§7601. Approval of backflow preventers

§7602. Construction of backflow preventers

§7603. Location of backflow preventers

§7604. Type of protection required.

§7605. Testing and maintenance of backflow preventers

Article 5. Domestic Water Supply Reservoirs

§7625. Definitions

§7626. Application for Permit

§7627. Data to Accompany Application

§7629. Reservoirs for Which Permits May be Granted

TITLE 22 CODE OF REGULATIONS

DIVISION 4. ENVIRONMENTAL HEALTH

CHAPTER 1. INTRODUCTION

Article 1. Definitions

§60001. Department

§60002. State Board.

§60003. Director

Article 2. Monitoring and Reporting Requirements - Scope

§60098. Monitoring and Reporting Requirements

CHAPTER 2. REGULATIONS FOR THE IMPLEMENTATION OF THE CALIFORNIA ENVIRONMENTAL QUALITY ACT

Article 1. General Requirements and Categorical Exemptions

§60100. General requirements

§60101. Specific Activities Within Categorical Exempt Classes.

**CHAPTER 12. SAFE DRINKING WATER PROJECT FUNDING
(Repealed)**

CHAPTER 13. OPERATOR CERTIFICATION

Article 1. Definitions

§63750.10. Accredited Academic Institution

§63750.15. Certificate

§63750.20. Certified Distribution Operator

§63750.25. Chief Operator

§63750.30. Comprehensive Operator Training Program

§63750.35. Contact Hour

§63750.40. Continuing Education Course.

§63750.45. Distribution Operator

§63750.50. Distribution System

§63750.55. GED

§63750.60. Interim Distribution Operator Certificate

§63750.65. Operator Experience

§63750.70. Shift Operator

§63750.75. Specialized Training.

§63750.85. Water treatment facility

Article 2. Operator Certification Grades

§63765. Water Treatment Facility Staff Certification Requirements

§63770. Distribution System Staff Certification Requirements

Article 3. Operator Examination Criteria and Applications

§63775. Eligibility Criteria for Taking a Water Treatment Operator Examination.

§63780. Eligibility Criteria for Taking a Distribution Operator Examination

§63785. Examination Application Content and Submittal

§63790. Filing Deadline and Requirement for Identification at Examination.

§63795. Examination Application Resubmittals and Reexaminations

Article 4. Operator Certification Criteria and Applications

§63800. Eligibility Criteria for Water Treatment Operator Certification

§63805. Eligibility Criteria for Distribution Operator Certification

§63810. Interim Certification of Distribution Operators

§63815. CNAWWA Distribution Operator Certification

§63820. Temporary Distribution Operator Certification.

§63825. Restricted Operator Certification.

§63830. Certification Application Content and Submittal

§63835. Certification Application Resubmittal.

Article 5. Certification Renewals, Delinquent Renewals and Fees

§63840. Certification Renewals.

§63845. Reinstatement

§63850. Fees

CHAPTER 14. WATER PERMITS

Article 1. Applications

§64001. Water Permit Application.

Article 3. State Small Water Systems

§64211. Permit Requirement

§64212. Bacteriological Quality Monitoring.

§64213. Chemical Quality Monitoring.

§64214. Service Connection Limitation.

§64215. Water Supply Requirements

§64216. Mutual Associations Prohibited.

§64217. Surface Water Treatment Requirement

Article 4. Local Primacy Delegation

§64251. Definitions

§64252. Primacy Delegation Application.

§64253. Local Primacy Agency Minimum Program Requirements

§64254. Permits

§64255. Surveillance

§64256. Sampling and Monitoring.

§64257. Reporting.

§64258. Enforcement

§64259. Program Management

§64260. Workplans

CHAPTER 14.5 FEES

Article 1. Public Water System Annual Fees

§64300. Definitions

§64305. Fee Schedule for Annual Fees

§64310. Reduction of Fees for Public Water Systems Serving Disadvantaged Community.

§64315. Payment of Fees

CHAPTER 15. DOMESTIC WATER QUALITY AND MONITORING REGULATIONS

Article 1. Definitions

§64400. Acute Risk.

§64400.05. Combined Distribution System

§64400.10. Community Water System

§64400.20. Compliance Cycle.

§64400.25. Compliance Period.

§64400.28. Confluent Growth.

§64400.29. Consecutive System

§64400.30. Customer

§64400.32. Detected.

§64400.34. Detection Limit for Purposes of Reporting (DLR)

§64400.36. Dual Sample Set
§64400.38. Enhanced Coagulation.
§64400.40. Enhanced Softening.
§64400.41. Finished Water
§64400.42. Fluoridation
§64400.45. GAC10.
§64400.46. GAC20.
§64400.47. Haloacetic Acids (Five) or HAA5.
§64400.50. Initial Compliance Period
§64400.60. Initial Finding.
§64400.65. IOC
§64400.66. Locational Running Annual Average or LRAA
§64400.67. Maximum Residual Disinfectant Level or MRDL
§64400.70. MCL
§64400.80. Nontransient-noncommunity Water System
§64400.90. Operational Evaluation Levels or OEL
§64401. Repeat Compliance Period
§64401.10. Repeat Sample
§64401.20. Replacement Sample
§64401.30. Routine Sample
§64401.40. Sanitary Survey.
§64401.50. Significant Rise in Bacterial Count
§64401.55. SOC
§64401.60. Standby Source
§64401.65. SUVA
§64401.70. System with a Single Service Connection.
§64401.71. Tier 1 Public Notice
§64401.75. Too Numerous to Count
§64401.80. Total Coliform-positive
§64401.82. Total Organic Carbon or TOC
§64401.85. Transient-noncommunity Water System
§64401.90. Treatment
§64401.92. Total Trihalomethanes or TTHM
§64401.95. VOC
§64402. Vulnerable System
§64402.10. Water Source
§64402.20. Water Supplier
§64402.30. Wholesale System

Article 2. General Requirements

§64412. Determination of Persons Served.
§64413.1. Classification of Water Treatment Facilities
§64413.3. Classification of Distribution Systems
§64413.5. Treatment Facility Staff Certification Requirements

- §64413.7. Distribution System Staff Certification Requirements
- §64414. Standby Sources
- §64415. Laboratory and Personnel
- §64416. Sampling Plan for all Monitoring Except Bacteriological.

ARTICLE 2.5. Point-of-Use Treatment

- §64417. Definitions
- §64418. General Provisions
 - §64418.1. Economic Feasibility of Centralized Treatment
 - §64418.2. POU Requirements
 - §64418.3. POU Treatment Strategy.
 - §64418.4. POU Operations and Maintenance (O&M) Program
 - §64418.5. POU Monitoring Program
 - §64418.6. Public Hearing and Acceptance
 - §64418.7. Recordkeeping, Reporting, and Compliance

ARTICLE 2.7. Point-of-Entry Treatment

- §64419. Definitions
- §64420.1. Economic Feasibility of Centralized Treatment
- §64420.2. POE Requirements
- §64420.3. POE Treatment Strategy.
- §64420.4. POE Operations and Maintenance (O&M) Program
- §64420.5. POE Monitoring Program
- §64420.6. Public Hearing and Acceptance
- §64420.7. Recordkeeping, Reporting, and Compliance

Article 3. Primary Standards--Bacteriological Quality

- §64421. General Requirements
- §64422. Routine Sample Siting Plan
- §64423. Routine Sampling.
 - §64423.1. Sample Analysis and Reporting of Results
- §64424. Repeat Sampling.
- §64425. Sample Invalidation.
- §64426. Significant Rise in Bacterial Count
 - §64426.1. Total Coliform Maximum Contaminant Level (MCL)
 - §64426.5. Variance from Total Coliform Maximum Contaminant Level
- §64427. Sanitary Survey

Article 3.5. Ground Water Rule

- §64430. Requirements

Article 4. Primary Standards--Inorganic Chemicals

- §64431. Maximum Contaminant Levels--Inorganic Chemicals.
- §64432. Monitoring and Compliance--Inorganic Chemicals.
 - §64432.1. Monitoring and Compliance--Nitrate and Nitrite
 - §64432.2. Monitoring and Compliance - Asbestos.
 - §64432.3. Monitoring and Compliance - Perchlorate

Article 4.1. Fluoridation

- §64433. System Requirements and Exemptions
- §64433.2. Optimal Fluoride Levels
- §64433.3. Monitoring and Compliance--Fluoride Levels
- §64433.5. Fluoridation System
- §64433.7. Recordkeeping, Reporting, and Notification for Water Systems Fluoridating
- §64433.8. Fluoridation System Operations Contingency Plan.
- §64434. Water System Priority Funding Schedule

Article 5. Radioactivity

- §64442. MCLs and Monitoring - Gross Alpha Particle Activity, Radium-226, Radium-228, and Uranium
- §64443. MCLs and Monitoring - Beta Particle and Photon Radioactivity

Article 5.5. Primary Standards -- Organic Chemicals

- §64444. Maximum Contaminant Levels – Organic Chemicals.
- §64445. Initial sampling - organic chemicals.
- §64445.1. Monitoring and Compliance – Organic Chemicals.
- §64445.2. Sampling of Treated Water Sources.

Article 12. Best available technologies (BAT)

- §64447. Best available technologies (BAT) – Microbiological Contaminants
- §64447.2. Best available technologies (BAT) - inorganic chemicals.
- §64447.3. Best Available Technologies (BAT) - Radionuclides
- §64447.4. Best Available Technologies (BATs) - Organic Chemicals.

Article 14. Treatment Techniques

- §64448. Treatment Technique Requirements

Article 16. Secondary Drinking Water Standards

- §64449. Secondary Maximum Contaminant Levels and Compliance
- §64449.2. Waivers for Secondary MCL Compliance
- §64449.4. Use of Sources that Exceed a Secondary MCL and Do Not Have Waiver
- §64449.5. Distribution System Physical Water Quality.

Article 18. Notification of Water Consumers and the State Board

- §64463. General Public Notification Requirements
- §64463.1. Tier 1 Public Notice
- §64463.4. Tier 2 Public Notice
- §64463.7. Tier 3 Public Notice
- §64465. Public Notice Content and Format
- §64466. Special Notice for Unregulated Contaminant Monitoring Results.

Article 19. Records, Reporting and Recordkeeping

- §64469. Reporting Requirements
- §64470. Recordkeeping.

Article 20. Consumer Confidence Report

- §64481. Content of the Consumer Confidence Report
- §64482. Required Additional Health Information.
- §64483. Consumer Confidence Report Delivery and Recordkeeping.

CHAPTER 15.5 DISINFECTANT RESIDUALS, DISINFECTION BYPRODUCTS, AND DISINFECTION BYPRODUCT PRECURSORS

Article 1. General Requirements and Definitions

- §64530. Applicability of this Chapter
- §64531. Definitions Governing Terms Used in this Chapter

Article 2. Maximum Contaminant Levels for Disinfection Byproducts and Maximum Residual Disinfectant Levels

- §64533. Maximum Contaminant Levels for Disinfection Byproducts
Best Available Technology
- §64533.5. Maximum Residual Disinfectant Levels

Article 3. Monitoring requirements

- §64534. General Monitoring Requirements
- §64534.2. Disinfection Byproducts Monitoring.
- §64534.4. Disinfectant Residuals Monitoring.
- §64534.6. Disinfection Byproduct Precursors Monitoring.
- §64534.8. Monitoring Plans

Article 4. Compliance requirements

- §64535. General Requirements for Determining Compliance.
- §64535.2. Determining Disinfection Byproducts Compliance
- §64535.4. Determining Disinfectant Residuals Compliance

Article 5. Treatment technique for control of disinfection byproduct precursor(DBPP)

- §64536. Alternative Compliance Criteria to the Enhanced Coagulation and Enhanced Softening Performance Requirements
- §64536.2. Enhanced Coagulation and Enhanced Softening Performance Requirements.
- §64536.4. Disinfection Byproduct Precursor Compliance Calculations
- §64536.6. Disinfection Byproduct Precursors Public Notification Requirements.

Article 6. Reporting and recordkeeping requirements

- §64537. General Reporting and Recordkeeping Requirements
- §64537.2. Disinfection Byproducts Reporting.
- §64537.4. Disinfectants Reporting.
- §64537.6. Disinfection Byproduct Precursors and Enhanced Coagulation or Enhanced Softening Reporting.

CHAPTER 16. CALIFORNIA WATERWORKS STANDARDS196

Article 1. Definitions

- §64551.10. Distribution Reservoir
- §64551.20. Distribution System

§64551.35. Peak Hour Demand (PHD)

§64551.40. Source Capacity.

§64551.60. User Service Line

§64551.70. Water Main.

Article 1.5. Waivers and Alternatives

§64551.100. Waivers and Alternatives

Article 2. Permit Requirements

§64552. Initial Permit for Public Water System

§64554. New and Existing Source Capacity.

§64556. Permit Amendments

§64558. Source Capacity Planning Study.

Article 3. Water Sources

§64560. New Well Siting, Construction, and Permit Application.

§64560.5. Well Destruction.

§64561. Source Flow Meters

Article 4. Materials and Installation of Water Mains and Appurtenances

§64570. Materials and Installation.

§64572. Water Main Separation.

§64573. Minimum Water Main Size for Community Water Systems

§64575. Flushing.

§64576. Air-Release, Air Vacuum, and Combination Valves

§64577. Isolation Valves

§64578. Water Main Valve Construction.

Article 5. Disinfection Requirements

§64580. Disinfection of New or Repaired Mains

§64582. Disinfection of Reservoirs

§64583. Disinfection of Wells

Article 6. Distribution Reservoirs

§64585. Design and Construction.

Article 7. Additives

§64590. Direct Additives

§64591. Indirect Additives

§64593. Use of Uncertified Chemicals, Materials or Products

Article 8. Distribution System Operation

§64600. Water System Operations and Maintenance Plan.

§64602. Minimum Pressure

§64604. Preparation and Maintenance of Records

CHAPTER 17. SURFACE WATER TREATMENT

Article 1. General Requirements and Definitions

§64650. General Requirements

§64651.10. Approved Surface Water

§64651.12. Bag Filters

§64651.13. Bank Filtration.

§64651.15. Cartridge Filters
§64651.16. Coagulant Chemical
§64651.20. Coagulation
§64651.21. Comprehensive Performance Evaluation (CPE)
§64651.23. Conventional Filtration Treatment
§64651.26. Diatomaceous Earth Filtration.
§64651.30. Direct Filtration Treatment
§64651.32. Disinfectant Contact Time
§64651.33. Disinfection
§64651.34. Disinfection Profile
§64651.36. Engineering Report
§64651.38. Filter Profile
§64651.40. Filter-To-Waste.
§64651.43. Filtration.
§64651.46. Flocculation
§64651.48. Flowing Stream
§64651.50. Groundwater Under the Direct Influence of Surface Water
§64651.52. Lake/Reservoir
§64651.53. Legionella
§64651.54. Membrane Filtration
§64651.56. Multibarrier Treatment
§64651.60. NTU (Nephelometric Turbidity Unit)
§64651.61. Plant Intake
§64651.62. Presedimentation.
§64651.63. Pressure Filter.
§64651.66. Qualified Engineer
§64651.70. Residual Disinfectant Concentration
§64651.73. Sedimentation.
§64651.76. Slow Sand Filtration.
§64651.80. Supplier
§64651.83. Surface Water
§64651.86. Turbidity Level
§64651.88. Uncovered Finished Water Storage Facility.
§64651.90. Virus
§64651.91. Waterborne Microbial Disease Outbreak.
§64651.93. Watershed.

Article 2. Treatment Technique Requirements, Watershed Protection Requirements, and Performance Standards

§64652. Treatment Technique Requirements and Compliance Options
§64652.5. Criteria for Avoiding Filtration.
§64653. Filtration.
§64653.5. Recycle Provisions

Article 3. Monitoring Requirements

§64654.8. Source, Raw, Settled, and Recycled Filter Backwash Monitoring.

§64655. Filtration Monitoring.

§64656. Disinfection Monitoring.

§64656.5. Disinfection Profiling and Benchmarking.

Article 4. Design Standards

§64658. New Treatment Plants

§64659. Reliability.

Article 5. Operation

§64660. Operating Criteria

§64661. Operations Plan.

§64662. Records

Article 6. Reporting

§64663. State Board Notification.

§64664. Monthly Report

§64664.2. Supplemental Reports

Article 7. Sanitary Surveys

§64665. Watershed Requirements.

§64665.5. Additional Requirements

Article 8. Public Notification

§64666. Consumer Notification.

CHAPTER 17.5. LEAD AND COPPER**Article 1. General Requirements and Definitions**

§64670. General Requirements

§64671.05. Action Level

§64671.08. Action Level Exceedance

§64671.09. Corrosion Control Treatment or CCT

§64671.10. Corrosion Inhibitor.

§64671.15. Detection Limit for Purposes of Reporting or DLR

§64671.30. Large Water System

§64671.35. Lead Service Line

§64671.40. Medium-size Water System

§64671.55. Period.

§64671.65. Single-family Structure

§64671.70. Small Water System

§64671.75. Tap Sampling.

§64671.80. Water Quality Parameter or WQP

§64671.85. WQP Monitoring.

Article 2. Requirements According to System Size

§64673. Small and Medium-size Water System Requirements

§64674. Large Water System Requirements

Article 3. Monitoring for Lead and Copper

§64675. General Requirements for Tap Sampling for Lead and Copper

§64675.5. Tap Sampling Frequency.

§64676. Sample Site Selection.

§64677. Sample Collection Methods for Taps

§64677.5. Sample Invalidation.

§64678. Determination of Exceedances of Lead and Copper Action Levels

§64678.5. Monitoring Waivers for Small Systems

§64679. Supplemental Monitoring.

Article 4. Water Quality Parameter (WQP) Monitoring

§64680. General WQP Monitoring Requirements

§64681. Initial WQP Monitoring.

§64682. WQP Monitoring After CCT Installation

Article 5. Corrosion Control

§64683. Corrosion Control Study Procedure

§64684. CCT Installation and Operation.

Article 6. Source Water Requirements for Action Level Exceedances

§64685. Source Water Monitoring and Treatment Designation.

§64686. Requirements Subsequent to the Department's Designation

Article 7. Public Education Program for Lead Action Level Exceedances

§64687. Lead Public Education Program Content and Delivery.

Article 8. Lead Service Line Requirements for Action Level Exceedances

§64688. Lead Service Line Replacement

§64689. Lead Service Line Sampling.

Article 9. Reporting and Recordkeeping

§64690.10. Data Reporting.

§64690.80. Recordkeeping.

Addendum A: CA Ground Water Rule – A reference to text adopted pursuant to Section 64430.

§141.21. Coliform sampling.

§141.28. Certified laboratories

§141.153. Content of the reports

Appendix A to Subpart O of Part 141 – Regulated Contaminants

§141.202. Tier 1 Public Notice – Form, manner, and frequency of notice

§141.202. Tier 2 Public Notice – Form, manner, and frequency of notice

Appendix A to Subpart Q of Part 141 – NPDWR Violations and Other Situations Requiring Public Notice.

Appendix B to Subpart Q of Part 141 – Standard Health Effects Language for Public Notification.

§141.400. General requirements and applicability

§141.401. Sanitary surveys for ground water systems.

§141.402. Ground water source microbial monitoring and analytical methods

§141.403. Treatment technique requirements for ground water systems

§141.404. Treatment technique violations for ground water systems

Addendum B: CA Long Term 2 Enhanced Surface Water Treatment Rule – A reference to text adopted pursuant to Section 64650(f). [CFR § 141.74 not shown.]

§ 141.211. Special notice for repeated failure to conduct monitoring of the source water for *Cryptosporidium* and for failure to determine bin classification or mean *Cryptosporidium* level

Appendix A to Subpart Q of Part 141—NPDWR Violations and Other Situations Requiring Public Notice ¹

§ 141.700. General requirements

§ 141.701. Source water monitoring.

§ 141.702. Sampling schedules

§ 141.703. Sampling locations

§ 141.704. Analytical methods

§ 141.705. Approved laboratories

§ 141.706. Reporting source water monitoring results

§ 141.707. Grandfathering previously collected data.

§ 141.708. Requirements when making a significant change in disinfection practice.

.

§ 141.709. Developing the disinfection profile and benchmark.

§ 141.710. Bin classification for filtered systems

§ 141.711. Filtered system additional *Cryptosporidium* treatment requirements

§ 141.712. Unfiltered system *Cryptosporidium* treatment requirements.³

§ 141.713. Schedule for compliance with *Cryptosporidium* treatment requirements

§ 141.714. Requirements for uncovered finished water storage facilities

§ 141.715. Microbial toolbox options for meeting *Cryptosporidium* treatment requirements.

§ 141.716. Source toolbox components

§ 141.717. Pre-filtration treatment toolbox components

§ 141.718. Treatment performance toolbox components

§ 141.719. Additional filtration toolbox components

§ 141.720. Inactivation toolbox components

§ 141.721. Reporting requirements

§ 141.722. Recordkeeping requirements

§ 141.723. Requirements to respond to significant deficiencies identified in sanitary surveys performed by EPA
